

ABOUT

# ANGELA RODELL

Angela Rodell is the founder of Rodell Consulting, working with its clients to excel in their various strategic objectives. She also serves as a strategic advisor to the CEO of Pepper, an industry-leading cloud native data investment platform as they continue to grow and expand their company. In addition, Ms. Rodell has served on several nonprofit boards and currently serves as a board member of the Pacific Pension & Investment Institute, volunteer board member for Launch Alaska and member of the Investment Committee for the Alaska Community Foundation. Previously, Ms. Rodell served as the CEO for the Alaska Permanent Fund Corporation, a state-owned investment management company responsible for managing the State of Alaska's multibillion sovereign wealth fund. A visionary leader, she promoted the use of transparent risk metrics in the investment process, successfully implemented a streamlined trade and risk system across the portfolio and created a culture of success with APFC earning numerous awards during her tenure.
